

Help appraising recruitment Front Office Software, a suggested process and some appraisal criteria

We've spent many years in the recruitment software sphere and been involved in thousands of software evaluations and realised that many people have no strategy or direction in place when they're looking for a solution. So, We have put together a lightweight list designed to help you along the way, It might not be a perfect fit for you but it should give you some food for thought.

- Step 1 - Understand your needs.
- Step 2 - Source potential suppliers.
- Step 3 - Appraise the longlist against agreed criteria.
- Step 4 - Make a selection.

Appraisal Criteria (suggested)

- Q1 - Does it do everything you "must have", now.
- Q2 - Cloud or on-premise.
- Q3 - Security, Data, Systems and DR.
- Q4 - Speed of Application.
- Q5- User-friendly.
- Q6 - Quick and simple to implement.
- Q7 - Is there a clear future roadmap.
- Q8 - Can it integrate with other applications.
- Q9 - Relevant and accurate reporting.
- Q10 - The contract.

If this seems a bit daunting, or you just don't have the time feel free to reach out to us. We offer all of the above and more as a part of our software appraisal services.
